CHILDREN'S RIGHTS POLICY

We, as Fame Residence Lara Hotel and Spa Family;

- We respect children's rights and take necessary measures to protect children against all types of exploitation.
- We support preventive programs for children to be protected and in need of care.
- We support the institutions and organizations that will ensure that children who have been involved in crime or committed crimes against themselves are brought to the community.
- We provide our staff with training on child protection.
- We support all kinds of organizations and activities for the protection of children in our environment.
- We ensure that all suspicious activities related to children are reported to local authorities and related organizations.
- In cooperation with all stakeholders serving the child, we are actively involved in activities to raise public awareness and awareness about the prevention of violence against children.
- Persons who insist on incompatibility despite the warning made by the hotel management and who insist on disturbance are removed from the hotel according to the seriousness of the situation with the approval of the General Manager or notified to the judicial institutions.

I adopt this policy with all my team and I promise to give the necessary determination and support for its implementation.
